

All roads used for the marathon course (red) will be closed to vehicular traffic during the times in which runners are present on the course. You won't be able to cross or drive on these roads.

Please clear your car off the streets used for the marathon by 2pm Saturday, Oct 4. Streets need to be clear until 2pm Sunday Oct 5.

If you'll need to drive somewhere, move your car to an unaffected area by 2pm Saturday, Oct 4. Your driveway (if on the route) will also not be accessible on Sunday.

Roads open during event.

Cars not cleared from the route will be towed. If your car is towed, please call **503-823-0044**.

Runners are expected on the course, 8:20am to 12:30pm Sunday. After this, roads will be reopen pending any time required for tear down operations.
